we haven't started developing a case yet but I know Dave Bartus is looking into related matters and has been coordinating with CID. best to check with him to see if it's prudent to write a memo at this point.

Subject: DMC Technologies

It's parallel proceedings memo week! Does your group have a case against this company? If so, who is handling it? Our case is a TSCA PCB case in Port Heiden, AK. If there is a civil component as well, please let me know so that I can draft a parallel proceedings memo. Thanks.
